About Kyrgyz Republic

Kyrgyzstan is a mountainous country in Central Asia, known for its stunning landscapes, including the Tien Shan mountains and the beautiful Issyk-Kul Lake. The country has a rich nomadic heritage, reflected in its traditions, felt crafts, and the famous epic of Manas. Tourism is growing rapidly, attracting visitors with opportunities for trekking, mountaineering, and cultural experiences.

SILK ROAD FREERIDE 26

The event brings together top riders from Kyrgyzstan and around the world to showcase their incredible skills on the steep mountain slopes. Join in, challenge yourself on the mountain descents, and experience the true atmosphere of freeride.

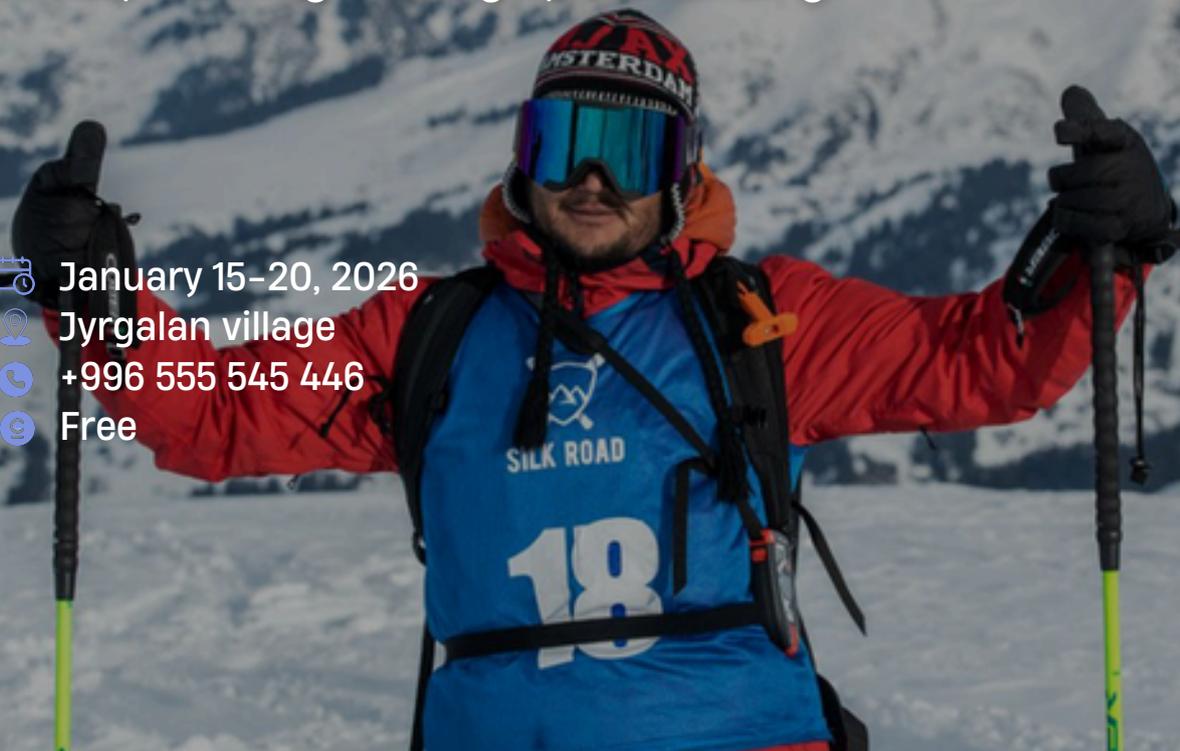

Freeride is a discipline of skiing and snowboarding performed off-piste, on wild, ungroomed routes shaped by nature itself. Fresh powder, rocky sections, and forest passages, make this sport both visually stunning and highly demanding.

'SHYRDAK' FESTIVAL

The event aims to preserve and promote the richness of Kyrgyz culture, especially one of its oldest and most significant crafts — the art of making shyrdak, the traditional Kyrgyz felt carpet.

The 'Shyrdak' Festival is held to safeguard this unique national art, pass it on to future generations, and showcase the depth, beauty, and cultural wealth of the Kyrgyz people to the world.

'MURAS' FESTIVAL

The 'Muras' Festival is a vibrant cultural event dedicated to the preservation and promotion of the heritage of nomadic peoples. The festival brings together artisans, performers, researchers, and all lovers of traditions to showcase the richness and diversity of national culture.

The festival allows every guest to immerse themselves in the atmosphere of nomadic life, learn about customs and rituals, appreciate the craftsmanship of national artisans, and experience the unique spirit of the people. This event not only unites generations but also helps preserve cultural heritage for the future.

JAICHY

AGRO-FEST 2026

The festival aims to promote rural tourism, preserve cultural heritage, traditional crafts, and national values of the Kyrgyz people. The event brings together representatives of the tourism industry, artisans, farmers, and guests interested in sustainable regional development.

The festival program includes:

- Tasting of national Kyrgyz cuisine (master classes)
- Folklore concert performances
- Master classes on wool processing and handicrafts
- Exhibition and sale of folk crafts
- Demonstration of elements of the traditional rural lifestyle (sheep shearing, wool processing by hand, making wool products, milking cows)

The JAICHY AGRO-FEST festival is a platform for cultural exchange, promotion of national traditions, and development of rural tourism.

SNOW LEOPARD ECOFEST KEMIN 2026

The Snow Leopard Ecofest is a social and environmental event aimed at raising awareness of the need to protect snow leopards and promote environmental protection and conservation, including ecotourism, glacier conservation, environmental education, and other issues.

The main goal is to draw the attention of the public, businesses, and authorities to the need to protect this rare predator, develop sustainable nature tourism, and educate the population about ecology and environmental protection. This festival will be held annually in different locations in Kyrgyzstan.

SHYRDAK MASTER OF THE YEAR 2026

The 5th Annual Shyrdak Master of the Year is Kyrgyzstan's premier national competition celebrating the highest level of traditional felt craftsmanship. Leading artisans from across the country present newly created works before a professional jury, showcasing exceptional mastery, authentic techniques, and contemporary interpretations of the iconic shyrdak.

The event offers a rare opportunity for international guests to witness the artistry behind Kyrgyz heritage and acquire outstanding handcrafted pieces. The competition opens the two-week exhibition "Heritage Reborn" at the Gapar Aitiev National Museum of Fine Arts.
